

**OUR FAITH.
OUR FAMILY.
OUR FUTURE.**

Holy Transfiguration
ORTHODOX CHURCH
465 Horton St E, London, ON N6B 1M2

Holy Transfiguration is home to Orthodox faithful and seekers from London and beyond. The Church is our home. We don't simply attend Church; we come together to form the Church, which was built on the prayers of the faithful for nearly 5 decades. Prayer is what makes us into the family of God, no matter what corner of the world we may come from. What built this parish is love for Christ; and that love is above all else.

By God's grace and the prayers of the Mother of God, our parish has come a long way since its humble beginnings in a rented space on Dundas street. We now get to worship in a beautiful temple filled with prayer. Our parish is growing by God's grace, not by any of our efforts. No one is trying to grow the Church, as if we're growing a business. But growth is coming our way as many thirsty souls are finding the Orthodox Church. We need to be ready to welcome them.

At our AGM in January 2025, our parish collectively decided to start a capital raising campaign to plan for our future. And in April 2025, we launched a campaign to support our growing future needs, entitled **Our Faith, Our Family, Our Future**. We are **NOT** anxiously looking for a new Church building. We are not there yet. As we plan for our future, our primary focus remains our experience of the faith as a family. We continue to place our trust in God who guides us. This is still His Church; it is His vineyard. We are stewards of His Church, and God will guide us to make the right moves.

This is our next step as we plan together as a family. We still have our obligations for the daily operations of the Church, as we move to save for our future. Whether you are able to contribute a large amount or 2 mites like the widow in the Gospel of St. Luke, whether you make a single donation or you plan to include it in your tithing or even consider doing so as part of your will, the Lord accepts your gift of love with joy.

To contribute to this campaign, you can:

- Use the special **blue envelopes** available in the vestibule of the Church, or
- Offer a donation online at <https://www.holytransfiguration.ca/donate/>

Contributions to this campaign are tracked in the St. Raphael Fund, which was previously used for the beautification of our Church. All donations are tax deductible.

Thank you for your love and dedication to Holy Transfiguration, this house of prayer and worship that we get to call home.
